25X1	IO Notice SERVICES 8 July 1953	25X 1
	l. In accordance with CIA Regulation and more recent endorsement by the Deputy Director (Administration) of an active and expanded Records Management Program, designated as Records Management Officer for the Logistics Office. A 2. A Records Management Program is being established throughout the Agency in an effort to improve standards and procedures with respect to the creation of records; the organisation, maintenance and use of current records; and the disposition of records no longer meeded for everyday use. The overall Agency Program is under the supervision of the General Services Office, Records Services Division, and the Logistics Office Records Management Officer will set as Lieison with the Records Services Division and will administer for the Logistica Office the functions as outlined in CIA Regulation.	25X 1 (1A9 25X 1
